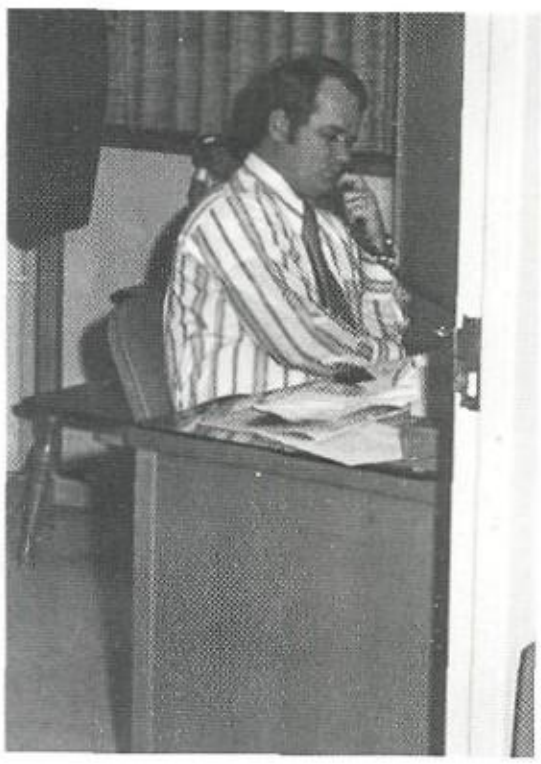
DEDICATION

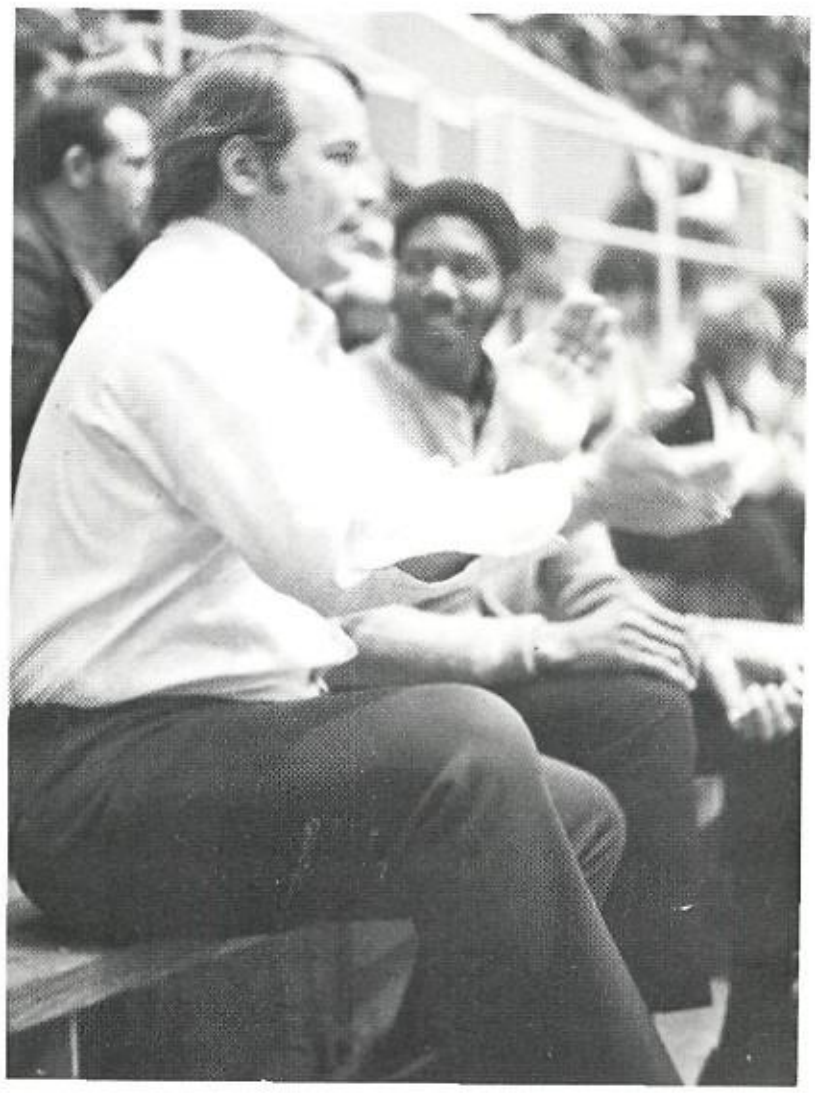


He has listened to our complaints with an admirable smile, assisted us with great patience, and understood our problems.

His enthusiasm for all school activities is untiring. His optimistic outlook is encouraging to all.

Words are unable to express our appreciation for his devotion to us, the student body. To show how much we respect him, the TIPI Staff dedicates this 1973 TIPI to

LARRY WILBURN



TIPI

STAFF

Well, the year is finished and gone, and nothing you can do could ever change it. It's gone — along with all those things you had planned to do but didn't, and all the things you never dreamed of doing but did. The year is here. On the pages of this book you will find it written in pictures. You need only the memories, and the book will be complete.

It's here — maybe just one page special for you. Find the page or pages that mean something to you and enjoy recalling the school year of 1972-1973.

Sincerely yours,

Barbara Hutchins

Come dance with the west wind and touch on the mountain tops
Sail o'er the canyons and up to the stars
And reach for the heavens and hope for the future
And all that we can be and not what we are.

Alma Mater

H. Brady Spruce School Song

We salute H. Brady Spruce
For its glories and its truths
We salute H. Brady Spruce
For the memories of our youth
From the oaks that ere surround us
To the halls that ere have bound us
Alma Mater hail to thee
Alma Mater hail to thee
